AN EXTRAORDINARY CASE, which conclusively proves that "Truth is stranger than Fiction." CURE OF

Rheumatism, Bronchitis and Dyspepsia REV. DR. LANDIS, A CLERGYMAN New Jersey, of distinguished atta Sidney, New Jorsey, July 12, 1848.

Dr. A. H. Christie-Dear Sir: You wish to know of me

what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is wast has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about twenty years I had been suffering from Dyspesia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About fourteen years since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year, caused me indescribable anguish. Forther: in the winter of '45 and '46, in consequence of preaching a great deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. My nervous system was some thereughly prostrated, and as my Bronchitis became worse, so also did my Dyspepsia and Rheumatic affection—thus evincing that these disorders were connected with each other? Stough the medium of the Nervous system. In the whole phanmacopoin there seemed to be no remedial agent which could reach and recuperate my Nervous System; every hing that I had tried for this purpose had completely failed. At last I was led by my friends to examine your inventiona, and (though with no very sanguine hopes of their efficiency,) I determined to try the effect of the application of the GALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1848. To MY GREAT ASTONISHMENT, IN TWO DAYS MY DESPERSA HAD CONE, IN KIGHT DAYS I WAS ENABLED TO RESUME MY PASTORAL LABORS; NOR HAYE I SINCE OMITTED A SINGLE SERVICE ON ACCOUNT OF THE BRONCHITIS; AND MY RHEWATIC APPECTION HAS ENTIRELY CRASKED TO THOUGHER ME. Such is the wonderful and happy results of the experiment.

Severe Deafness Cured.

The following is an extract from a letter lately received from a distinguished physician in the State of Virginia:

"A. H. Christie, M. D.—Deer Sir: One of my patients, unknown to me, obtained your Gelecuic Belt and Necklace, with the Magnetic Finid, for a serious affection of Deafness The case was that of a lady whose Nervous system was much disordered, and her general health poor. Much was done previously to the application of the Belt, but with very little success, and I feel it only right to tell you, that since she commenced wearing the Belt and using the Finid, but a few weeks ago, she has ENTIRELY RECOVERED HER HEABING, and her general health is better than for several years."

Tic Doloreux and Neuralgia. These dreadful and agonizing complaints are immedi-tely relieved by the application of the Galvanic Brit, Secrace and Flurn. The Belt diffuses the Electricity through the system; the Necklace has a local effect, and the Fluid acts directly upon the affected norves. In these dis-tressing afflictions the application NEVER FAILS.

FITS AND CONVULSIONS. These alarming and terrible complaints are always caused by a derangement of the Nerves.
